
Erasmus programme and other international students

Students coming under Erasmus programme and other international students may attend any subject provided by the 3rd Department of Medicine, together with the English groups.

There is no possibility of any extra courses in English besides the regular schedule.

Students with the knowledge of Czech language can also join the courses scheduled for the Czech.

Prior agreement with [Students Affairs Office](#) is required for students who wish to join the courses provided by the 3rd Department of Medicine.

For the general information about the study please visit [Erasmus web pages of the Charles University in Prague, First Faculty of Medicine](#).
