# Clinical rotations abroad

---

It is possible to complete "**Endocrinology and Metabolism (EM) clerkship**" or "**Clerkship before a state exam (SE)**" **abroad** if following conditions are fulfilled:

- at least 75 hrs of teaching within the areas of endocrine and metabolic diseases **(EM)** / a 3-week stay at an internal ward abroad **(SE)**
- written approval of the head of teaching at the 3rd Dept. of Internal Medicine ( [Prof. Michal Vrablik](#) or [Dr. Jan Škrha jr.](#) ) in the  
APPLICATION FOR PERMISSION TO GO FOR TRAINEESHIP ABROAD
- confirmation from an abroad supervisor that the rotation comprised on exposure to the spectrum of clinical scenarios as defined by the syllabus of the subject, see in [SIS](#)
- passing the online test in the Moodle at the end of the clerkship **(EM)** or passing the practical part of a state exam on our ward **(SE)**, for detailed instructions write to [Dr. Jan Škrha jr.](#)
